## ABOUT US

Kasim Textile Mills Private Limited, forayed into the textile business in 1991 by starting a small unit at Puliyankulam in Madurai, Tamil Nadu. Since its inception, the company has galvanized to prominence as one of the leading Manufacturer and Exporter of Greige/Grey Woven fabric under the able leadership of Mr.A.Shahul Hameed. He was steadfast in his mission to steer the fortunes of the organization with his sheer perseverance and humility.

The company has achieved its Organic growth by delving itself into every least possible detail of quality adherence and living up to the expectation of the customers. Mr.Mohamed Sheik is the Joint Managing Director of the company heading the Marketing & Finance of the company.

## WHAT WE DO

For more than 2 decades, we have garnered an indomitable presence in the Grey Woven fabric manufacturing sector. By doing things repetitively, one tends to get good at what he/she does. Ours is a highly structured activity engaged with the specific goal of improving our performance in a certain area of our choice. We source quality Yarn from the most trusted sources to ensure the fabric gets woven efficaciously as per the precise specifications of the Customer.

The company has groomed its expertise in weaving a variety of Grey Fabrics, and holds its Niche in the weaving of 100% Cotton Grey Fabric, 100% Organic Fabric, BCI Cotton, 100% Viscose Fabric, Stretch Fabrics and other filament Grey fabrics. Our Grey fabric repertoire are available in width ranging from 48" to 105" with the Weaving design that encompass Poplin, Voile, Cambric, Percale, Twill, Drill, Satin, Stripe Satin, Herringbone, Oxford and Dobby designs. We supply the cloth in Roll form or Bale form, astutely packed as per the needs of the customer.
